I agree with the opinion expressed by Mr. Krishna Rao in his note of 9.11.06. But I do not understand the observation of the Senior Deputy as to why the fund cannot be brought under budget control unless the salaries and establishment are also brought on the permanent establishment. There appears to be no necessary connection between the two. The matter may perhaps be made clear from a reference to the G.S.

Extract from the Proceedings of the 162nd *Meeting of the Council of His Highness the Maharaja, held at* Bangalore *on the* 12th March *1907*

I. Subject.- (Clause iii of the Schedule).

Whether the Lunatic Labour Fund should be brought under budget control.

OPINION.

In order to provide for efficient control over the receipts and expenditure under the Lunatic Labour Fund, it is desirable that the Fund should be subjected to budget rules, the income being credited to Government and the expenditure separately budgetted for.

Sd/- V. P. Madhava Rao.
Dewan of Mysore.

"Extract"

Secretary to Government

Submitted to His Highness.

With a view to have the income and expenditure connected with Lunatic labor in the Lunatic Asylum, Bangalore, audited regularly by the Comptroller, the Government in their order No.6613-4/ 57 dated 6th September 1891 authorized the formation of a separate fund styled the " Lunatic Labor Fund " for the purpose of recording the transactions connected with Lunatic labor. All receipts on account of this "Fund" such as sale proceeds of cloths and vegetables &c are remitted to the Treasury to the credit of the "Fund", any money required for expenditure being drawn from the Treasury by debit to the "Fund". The "Fund" is entirely under the control of the Senior Surgeon and it is not included in the Budget which relates to purely Government expenditure and Government receipts. The "Fund" has at present to its credit in the Treasury a sum of Rs4,054-2-2.

In order to provide for efficient control over the receipts and expenditure under this "Fund" it is proposed to subject the "Fund" to budget rules the

income being credited to Government and the expenditure separately budgetted for. The establishment of a maistry on Rs 10 and a gardener on Rs 8 per mensemnow paid from the Fund will be kept up but will be non-pensionable.

The proposal may be sanctioned.
